Frank Walker Named Account Manager for Crown Supply

Providence, RI (June 20, 2013)—Crown Supply Co., Inc. of Providence, RI and Milford, MA, has Frank Walker as its new Account Manager/Business Development.

In his new position, Walker will be involved in all facets of Crown Supply's sales initiative, working closely with electrical contractors and general contractors with a focus on the central Massachusetts region. Walker has been involved in all facets of the electrical industry for over 35 years, most recently as a System Sales Engineer for Mammoth Fire Alarms, Inc. in Lowell, MA.

"Frank has personal experience as a contractor as well as experience as a service technician," said Crown Supply's President, William F. Donahue IV. "He has also been a supplier and worked with both suppliers and manufacturers, which gives him a unique understanding of what contractors need to get the job done. This puts him already one step ahead in the game, and we welcome him to the Crown Supply team."

A resident of Warwick, RI, Walker earned his Associate's Degree in Electronics from New England Institute of Technology as well as a BA in Industrial Technology from Rhode Island College.

Established in 1947, Crown Supply Co. started as a small supplier of electrical supplies, equipment and appliances serving the Providence area. Owned by the Donahue family since 1984, the Providence, RI facility has grown to over 30,000 square feet, with a sister facility in Milford, MA. For more information, visit www.crownsupply.com.
