### MS-25 and MS-25E Product Discontinuation

Dear Valued Customer,

Fire-Lite Alarms is a leader in providing world-class fire alarm and life safety products, services and support to our customers since 1952. To continue to offer the right solutions to our customers, we have to periodically review and streamline our catalog items. After careful review, Fire-Lite has decided to no longer offer the MS-25 products. See the full list of products below for more details.

Please contact your Regional Sales Manager or Fire-Lite Alarms Customer Service Representative at 800-627-3473, if you have any questions regarding this announcement.

Thank you for your business and continued support.
